A LITTLE HISTORY

In 1916, members of the First Congregational Church of Meriden began fellowship retreats to a parcel of land in Lyme, CT owned by a local farmer. Years later, the parcel was purchased by a member of First Church and donated to be utilized as a youth camp. Then, in March of 1954, the church sold Camp Claire for one dollar to Camp Claire, Incorporated. Since those early years, campers and staff have come to Camp Claire from all over the world.

For over 100 years, Camp Claire has forged a countless number of friendships that have been maintained and nourished by people who have been a part of the Camp Claire family. We strive to sustain those friendships by keeping contact with Alumni and getting them involved in the years following their camp experience. Every year one or two weekends are dedicated to gathering Alumni for reminiscing and collecting thoughts on how to better preserve Camp Claire's experience for all.

Camp Claire is operated by a Board of Directors; a group of volunteers who have demonstrated a love for Camp Claire. Their main task, (among others) is to oversee finances, hire staff and maintain facilities. In the 1960's, Camp Claire became Camp Claire, Inc., a 501 C-3 not for profit summer camp. It continues to provide a quality camping program for children focusing on group cooperation and community building.

KNOW OUR "WHY"

PHILOSOPHY:

Take who we are and what we've got and make it better!

MISSION STATEMENT:

Camp Claire - Where youth can develop curiosity, creativity, confidence, and self-esteem in a natural inclusive community environment; providing a lifetime of memories and skills that prepare children for an active place in a multicultural society.

OBJECTIVE:

We believe in freedom, flexibility and individual integrity, and thus we do not regiment our community except where physical and psychological health and safety are concerned. Therefore, there are many choices available to the staff, as well as the campers. We are enriched by all that is natural, so we seek to provide a wholesome environment in an incredibly beautiful setting.

Camp Claire aims to:

1. Provide opportunities for campers to foster and develop personal creativity and self-esteem.
2. Help each camper appreciate the natural surroundings and learn about the environment.
3. Provide situations for campers to develop curiosity while discovering their own skills and abilities.
4. Allow each child to develop skills to participate actively in a multicultural society.

INCLUSION POLICY

Camp Claire strives to create an environment inclusive of all, regardless of race, sex, age, religion, creed, national origin, disability, physical/mental handicap or medical condition, as well as gender identity and expression. Camp Claire does not tolerate discrimination or harassment of any individual for any reason. We work hard to provide sensitivity training to staff during the summer and establish this inclusion policy to prevent discrimination, bullying, and harassment.

Gender Inclusion Policy

Camp Claire welcomes staff and campers of any and all genders. As with any sensitive personal information, we consider the gender identity of our campers and staff to be private unless the individual wishes to share it. Any individual (whether cisgender, transgender, non-binary, or other) who wishes to keep that information private has the right to do so, and we will not share that information with anyone except medical staff when appropriate. Staff and campers are welcome to share their preferred pronouns if they feel comfortable doing so. Staff and campers are expected to respect preferred pronouns and as such any intentional mis-gendering will be seen as bullying (please see our misconduct policy for further information). For information on bunking assignments as related to gender-identity, please see the "Bunking" section of this handbook.

REGISTRATION

Camp Claire accepts all registrations solely online! We accept registrations on a first come, first serve basis. A \$100 non-refundable deposit per session you are registering your child for is due at the time of registration. The balance on your account will be charged to your card on file on June 19, 2023.

Receipt of the confirmation email indicates that your child has a place in the session(s) that you have requested. If there is a question about a session or if the session is filled, we will contact you to verify your child's placement. If you have a contact information change, such as phone number or address, please make those changes using your registration account accordingly.

All cancellation requests or changes need to be e-mailed to the registrar at registrar@campclaire.org and are subject to a \$135 cancellation fee. There will be no refunds for early departure once your child has arrived at Camp however, emergencies and illnesses will be examined on a case-by-case basis. Camp Claire reserves the right to make a decision in these particular instances. *Please see our COVID-19 Refund Policy and Handbook Acknowledgement located at the end of this handbook for specific refund information related to COVID-19.*

It is important to understand the reasoning behind a policy of non-refund. Because of the limited space during certain sessions, a camper who is registered has been included in the total session number which is crucial to planning for food and programs. In some instances, a camper might have been turned away because a session was filled. Please note that we will NOT reserve space until a registration, deposit and medical forms are received.

COVID-19 PROTOCOLS IN PLACE FOR SUMMER 2023

Protocols subject to change due to any updated information and guidance on the COVID-19 pandemic

A Healthy Camp Begins At Home

If there has been any potentially contagious illness or COVID-19 in the household prior to camp or direct exposure, contact camp for instructions. A nurse will remain on site throughout the camp session.

BEFORE CAMP

All campers and staff will need to log their temperature and symptoms via CampDoc for seven days before coming to camp.

We are not requiring vaccinations, though it is heavily encouraged.

At the beginning of each session Camp Claire is requiring all campers to take a rapid Covid test which will be provided and administered by staff before admission. Campers must remain in the car until a staff member comes and tells them their test results and allows them to exit the vehicle, if negative. All staff will be given a rapid test before campers arrive.

DURING CAMP

Precautionary Measures:

Building windows remain open for circulation unless the weather prohibits. All campers and staff will need to sanitize their hands

before entering a building. Conducting activities and programs outside will be prioritized, weather permitting.

Every morning cabin counselors will take the temperature of each camper in their cabin and do a verbal check for covid symptoms. Cabin Counselors will document this data and give a filled-out sheet for each cabin to the Camp Nurse at breakfast. This will happen at drop off for each day camper before they exit the car.

- If a camper does have a fever, or is exhibiting symptoms of covid, the counselor will alert the Camp Director and Camp Nurse. Any campers experiencing symptoms or a fever will be given a rapid test.

COVID-19 Symptoms can include:

- Fever or chills
- Cough
- Shortness of breath or difficulty breathing
- Fatigue
- Muscle or body aches
- Headache
- New loss of taste or smell
- Sore throat
- Congestion or runny nose
- Nausea or vomiting
- Diarrhea

POTENTIAL CASE OF COVID-19 POLICY

Masks will not be required inside of the cabin in the absence of day campers. 	<p>If Camper tests negative for Covid and does have a fever :</p> <ul style="list-style-type: none"> → The camper will be asked to return home and may only return once fever free for 24 hrs without help of medication. → The cabin group will mask during any indoor activities for a 24 hour period. Masks will not be required inside of the cabin in the absence of day campers. → After 24 hours, the cabin group will be reevaluated and retested for any symptoms or signs of fever.
<p>If Camper tests positive for Covid</p> <ul style="list-style-type: none"> → Caregivers will be contacted and the camper will be asked to return home as soon as possible. The camper will remain in isolation until caregivers arrive. → All campers in the cabin group will have their primary caregivers contacted and informed of the exposure. These campers are not mandated to leave camp. → All members of the cabin group will be given rapid tests daily, before breakfast. → The entire cabin will mask for any indoor activities for 5 days following initial exposure. Masks will not be required inside of the cabin in the absence of day campers. 	

DAY CAMP DROP OFF

Day Camp Drop-Off Time: 9:00 AM to 9:30 AM

Each morning a staff member will greet your camper. While your camper remains in the car their temperature will be checked and a verbal check for symptoms of COVID-19 will take place. Once the camper is cleared by the Camp Nurse, they may exit the car and join their group.

Please make sure to take all phones and electronics home with you. Possession of phones or electronics is immediate grounds for dismissal without a refund.

If your child is going to be absent please call and let us know. Main camp number: 860-434-0368. Calls are answered as of 7:00 am. If you need to call before that time please leave a message.

Paperwork

Paperwork that must be completed **BEFORE** your child's arrival at Camp Claire in order for your child to attend camp:

- ★ **Health form:** This must be updated and signed by a physician every 12 months. Your child cannot stay at camp without an updated health form. The parent or guardian must also sign the health form yearly indicating that they have reviewed the information and that it remains accurate.
- ★ **Release:** You will be asked to complete a form indicating who your child can leave camp with. Please let the people know that they will be asked to show identification when they come to get your child and for your camper's pickup codeword chosen during the registration process. This is for your child's safety.
- ★ **Balance Due:** If you have a balance due you should

discuss this with the registrar who can be reached at registrar@campclaire.org. All balances must be paid prior to attendance at camp.

- ★ **Medications:** Any medications that you need us to administer at camp will have to have the appropriate forms. These medications need to be in their original containers with the administration information from the pharmacy attached. We also require that paperwork for that prescription be completed and signed by the physician as well as the parent. Please refer to the health information you received from Campdoc.com for further information. Campers are not allowed to carry medications and self-administer without the proper medical authorization, which is completed by the child's doctor, camp nurse and parent. This is a State of Connecticut health regulation.

PICK-UP

Day Camp Pick-Up Time: 4:45 PM to 5:15 PM

When picking up your camper, please have the camper pick up sheet in your window so it is visible (the pickup sheet will be given to you the first day of camp). If someone is picking up your camper please make sure they have the pick up sheet and are listed on the back. SPECIAL PROGRAMMING

On Wednesday nights we invite day campers to stay for evening activity and dinner. This is entirely optional and is something you should discuss with your child. Camp must know by Tuesday morning if your camper is going to stay for the extended day.

LUNCH & SNACKS

We provide day campers with lunch. Each meal is planned ahead of time, but peanut butter and jelly is always available for picky eaters. Each afternoon campers are provided with a nutritious snack. Water is available continuously throughout the day. If you have a concern with your child's eating habits, please let the day camp director know.

CAMP STORE

The drive-by camp store will be open during Monday arrival and Friday Day Camp Pick-up for your family to purchase a variety of Camp Claire themed clothing and accessories such as T-shirts, sweatshirts, shorts and hats. Please, do not send any cash. Campers do not need any money during their stay at camp.

SWIM CHECK

Each camper is required to take a swim check upon arrival at Camp Claire. Our Pool Director will place campers in an appropriate level to accommodate their swimming ability. This helps ensure their safety at camp when participating in programs and classes that include water activities.

PHOTOGRAPHS

Many photographs are taken during the week, including an all camp picture and individual cabin photos. A link will be provided to parents at the time of check-in where all photographs can be viewed at the end of each session.

LOST AND FOUND

Please label all clothing, towels, and personal items with the child's name. Please, **NO initials!** Unclaimed clothing will be held until the end of the season. Items will be washed and donated to shelters or other groups in need. Please call as soon as an item is discovered missing and we will do our best to locate it. **Camp Claire is not responsible for any clothing items lost, stolen, or damaged.**

CABIN ASSIGNMENTS

One of the goals at Camp Claire is to create a loving community which is inclusive of all. Campers will be bunked by their gender identity as provided by their guardian during the registration process. In regards to gender non-conforming children, camp staff will speak with the guardian to find the best fit within our current cabin model.

Any camper who is uncomfortable using a shared, gender-segregated facility, regardless of the reason, shall, upon the person's request, be provided with a safe and non-stigmatizing alternative (for example, using the bathroom in the Nurse's Cabin). However, requiring a transgender or gender non-conforming camper to use separate facilities threatens to publicly identify and stigmatize them and therefore will not be done unless requested by the camper.

Some campers are new, and some have been coming for years. We encourage making new friends as part of this experience of community. We limit a bunking request to one person, recognizing that for some newcomers, it will mean comfort in a new situation. Please make bunkmate requests at the time of online registration. We will try to honor a request but cannot guarantee it can be filled.

As a small, positive community, we encourage inclusiveness. Cliques can often be a form of segregation, and we try as best we can to discourage an atmosphere of negative behavior. Consequently, we reserve the right to move campers if we feel a serious problem has arisen, regardless of bunkmate requests.

MISCONDUCT

Any camper who engages in illegal drugs, alcohol, abusive language, inappropriate sexual behavior/misconduct, or aggressive/violent behavior

will be asked to leave camp, and parents will be contacted immediately. For other issues related to behavior, parent contact will be made, and behavioral strategies will be implemented. If, after intervention, the behavior issue is not resolved, the camper may be sent home at the discretion of the Camp Director. **THERE ARE NO REFUNDS IN THESE CASES.**

Camp Claire also reserves the right to refuse registrations as a result of a previous season's misconduct. Parents are expected to set an example of respect. If any parent engages in verbal and/or physical abuse toward staff, the camper will be sent home. **NO REFUND WILL BE AVAILABLE.**

Bullying is defined as when one or more individuals exclude, tease, taunt, gossip, hit, kick, or put down another person with the intent to hurt that individual. **At Camp Claire, bullying is inexcusable, and we have a firm policy against all types of bullying.** Our Camp philosophy is based on our mission statement which ensures that every camper has the opportunity to develop curiosity, creativity, and build new skills and relationships. We work together as a team to ensure that campers gain self-confidence, make new friends, and go home with great memories.

Unfortunately, persons who are bullied may not have the same potential to get the most out of their camp experience. Our leadership staff address all incidents of bullying seriously and train staff to promote communication with their co-counselors and campers so that both staff and campers will be comfortable sharing any problems during their camp experience. Every person has the right to have the best possible experience at camp, and by working together as a team to identify, prevent, and manage bullying, we can help ensure that all campers and staff have a great summer at Camp Claire.

Camp Claire will follow the State of Connecticut guidelines for bullying as they apply to public schools. **A child proven to have bullied another at camp will be asked to leave. Parents of all parties will be contacted and an incident report will be completed.**

MEDICAL FORMS AND ISSUES

By law, we cannot admit your child unless we have a current health form signed by a physician which includes a full immunization record with dates.

All prescriptions are mandated by law to be properly labeled in their original containers with only the number of pills needed for the length of the session. This applies to over-the-counter medications for your child as well.

All forms of medication, including over-the-counter drugs and supplements must be noted on the health form with authorization and a signature from a physician and parent with dosages and administration times listed. If you have a question about a particular medication, please consult the camp nurse at nurse@campclaire.org

Please remember to list all emergency contacts and all allergies.

MEDICAL EMERGENCIES

In the event of a medical emergency we will follow the following protocols:

- If the emergency does not require transportation in an ambulance, the parent/ guardian will be contacted, and the parent will take the child to the hospital or their primary physician.
- If the emergency requires transportation in an ambulance, then one of the camp staff will accompany the child in the ambulance and the director will contact the parents/guardians. The parent or emergency contact person will be expected to meet the ambulance at the hospital as soon as possible.
- In all circumstances, the child's health insurance is used as the primary insurance.

Each day after lunch, campers are given some personal time to sleep, read, write letters, draw, or converse quietly with their new friends. This time of day is especially important to small children who may exert high levels of energy during the day.

COUNSELORS

We have worked very hard to hire a staff that reflects our mission and values. Our senior counselors are 18 and older. Many are in fields related to child development and education. Junior counselors are 16 or 17 years of age and are under the mentorship of the senior staff. Each cabin is staffed with at least one senior and junior counselor. We maintain a ratio of 1 counselor per 6 campers ages 8 and younger. We maintain a ratio of 1 counselor per 8 campers ages 9 and over.

CAMPER NEEDS

★Food Needs:

- Be sure to include any campers allergies or dietary restrictions in registration forms. We can accommodate all dietary needs, but we must know this in advance to ensure we plan accordingly.
- For picky eaters: If they do not like the food, or are refusing to eat, they have access to our salad bar and peanut butter and jelly sandwich. Everyone needs to eat at each meal and eating 3 meals a day is part of camp safety.

★Health Needs:

- Campers should practice daily hygiene (shower time, washing hands, changing clothes and underwear, wearing deodorant and sunscreen). Staff will facilitate this and it is part of cabin codes of conduct.
 - Reminder: please send campers to camp with all personal care products they typically use at home.

★Emotional Needs:

- If campers typically see a mental health professional outside of camp, we will accommodate ensuring this continues while at camp. Virtual sessions can be held and camp can provide technology for this. Please contact the Director if you would like to discuss camper mental health needs further.
- Camp Claire has an on-call social worker. If we feel that a camper may benefit from discussing something with the social worker, the Director will contact you to discuss the situation and to receive your consent.

SPECIAL NEEDS

It is our mission to provide each camper with the environment that will nurture them and allow them to share in the riches of their gifts, and the gifts of others. This builds a wonderfully supportive community celebrating diversity. We have staff trained in many different areas to ensure a positive experience for all.

We encourage parent input to make sure that the programs and facilities meet the needs of your child. Camp Claire is a small camp in a beautiful location. Many of its buildings and locations were fixed years ago. We do our best, but also acknowledge that steep hills, stairs and roots do limit some campers.

If your child has a physical, mental, developmental, or dietary disability that requires special support, please contact the Director prior to registration. We will make every reasonable effort to meet your child's needs. We are more than happy to schedule a tour so you may determine if we will be a good fit for your child.

It is also important to let the Director know of any events in your child's life which may affect his/her stay away from home. Additionally, please notify us if your child has had a recent change in any medications. This information will help us in providing a safe and supportive environment for your camper to thrive in.

Every child is treated with respect and confidentiality

At the time of your online registration you will be required to read and sign the following:
