A LITTLE HISTORY

In 1916, members of the First Congregational Church of Meriden began fellowship retreats to a parcel of land in Lyme, CT owned by a local farmer. Years later, the parcel was purchased by a member of First Church and donated to be utilized as a youth camp. Then, in March of 1954, the church sold Camp Claire for one dollar to Camp Claire, Incorporated. Since those early years, campers and staff have come to Camp Claire from all over the world.

For over 100 years, Camp Claire has forged a countless number of friendships that have been maintained and nourished by people who have been a part of the Camp Claire family. We strive to sustain those friendships by keeping contact with Alumni and getting them involved in the years following their camp experience. Every year one or two weekends are dedicated to gathering Alumni for reminiscing and collecting thoughts on how to better preserve Camp Claire's experience for all.

Camp Claire is operated by a Board of Directors; a group of volunteers who have demonstrated a love for Camp Claire. Their main task, (among others) is to oversee finances, hire staff and maintain facilities. In the 1960's, Camp Claire became Camp Claire, Inc., a 501 C-3 not for profit summer camp. It continues to provide a quality camping program for children focusing on group cooperation and community building.

KNOW OUR "WHY"

PHILOSOPHY:

Take who we are and what we've got and make it better!

MISSION STATEMENT:

Camp Claire - Where youth can develop curiosity, creativity, confidence, and self-esteem in a natural inclusive community environment; providing a lifetime of memories and skills that prepare children for an active place in a multicultural society.

OBJECTIVE:

We believe in freedom, flexibility and individual integrity, and thus we do not regiment our community except where physical and psychological health and safety are concerned. Therefore, there are many choices available to the staff, as well as the campers. We are enriched by all that is natural, so we seek to provide a wholesome environment in an incredibly beautiful setting.

Camp Claire aims to:

1. Provide opportunities for campers to foster and develop personal creativity and self-esteem.
2. Help each camper appreciate the natural surroundings and learn about the environment.
3. Provide situations for campers to develop curiosity while discovering their own skills and abilities.
4. Allow each child to develop skills to participate actively in a multicultural society.

REGISTRATION

Camp Claire accepts all registrations solely online! We accept registrations on a first come, first serve basis. A 50% deposit per session you are registering your child for is due at the time of registration. There is a non-refundable fee of \$100.00 per registration. The balance on your account will be charged to your card on file on June 19, 2023.

Receipt of the confirmation email indicates that your child has a place in the session(s) that you have requested. If there is a question about a session or if the session is filled, we will contact you to verify your child's placement.

If you have a contact information change, such as phone number or address, please make those changes using your registration account accordingly.

All cancellation requests or changes need to be e-mailed to the registrar at registrar@campclaire.org and are subject to a \$135 cancellation fee. There will be no refunds for early departure once your child has arrived at Camp however, emergencies and illnesses will be examined on a case-by-case basis. Camp Claire reserves the right to make a decision in these particular instances.

It is important to understand the reasoning behind a policy of non-refund. Because of the limited space during certain sessions, a camper who is registered has been included in the total session number which is crucial to planning for food and programs. In some instances, a camper might have been turned away because a session was filled. Please note that we will NOT reserve space until a registration, deposit and medical forms are received.

CAMP CLAIRE

COVID-19 PROTOCOLS IN PLACE FOR SUMMER 2024

Protocols subject to change due to any updated information and guidance on the COVID-19 pandemic

DURING CAMP

Precautionary

Building windows remain open for circulation unless the weather prohibits. The windows will be reopened as soon as possible if they need to be closed.

Before entering a building, all campers and staff are encouraged to sanitize their hands.

After shared equipment is used, the activity director will sanitize the objects before the next group of campers use it. This includes surfaces of tables.

Cabin counselors will do wellness checks and campers who report they may not be feeling well will be brought to the nurse for a check-up.

- If a camper does have a fever, or is exhibiting symptoms of covid, the counselor will alert the Camp Director and Camp Nurse. Any campers experiencing symptoms or a fever will be given a rapid test.

After Testing

If a camper experiencing symptoms tests negative for covid and is not presenting with a fever:

- Camper will be re-evaluated for symptoms 24 hours after the first test. If that camper still tests negative (and does not have a fever) the camper may return to normal camping activities.
- Primary Caregivers of the camper will be notified that their camper is not feeling well.

If a camper is negative for covid and presenting with a fever:

- The camper will be asked to return home and only allowed to return to camp with a doctor note.

If a camper tests positive for COVID-19

- The camper's primary caregivers will be contacted and asked to pick up their camper as soon as possible. The camper will remain in isolation until the primary caregiver can pick up the camper.
- All campers in the cabin group will have their parents contacted to inform them of the exposure. However, the campers are not mandated to leave camp. The state of Connecticut schools are a "test to stay" policy. We will follow the same method. Campers who stay will be tested every morning before breakfast for five days after exposure. If the camper is unvaccinated they will also need to wear a mask for five days. If the camper is vaccinated the rapid testing every morning is sufficient to continue participation.

RESIDENTIAL CAMP CHECK-IN

- Each camper family will be assigned a check-in time for Sunday between 2:00pm and 4:00pm.
- You will receive your check-in time via email the week prior to your camper's session. It is very important that you arrive at camp at this time.
- The gate will be closed to all guests unless it is your time to check-in.
- When you arrive, staff will guide your vehicle to the designated drop-off area.
- Upon arrival, we ask you and your camper(s) to check in with the Directors and Registrar/Camp Admin at the Check-in Table where you will be greeted and directed to go with your camper to the nurses station. Please be sure to remember your code word for pick up, you will be asked to verify it!
- Once you have checked in with the nurse, please say goodbye to your camper. A counselor will be at the designated drop off area to meet your camper and bring them to their cabin.

NOTE: Please pack your camper's under-the-bed tubs in the trunk of the car, as staff will assist your camper in the removal. Please make sure to take all phones and electronics home with you. Possession of phones or electronics is immediate grounds for dismissal without a refund.

PICK-UP

Pick-up will be between 9:30 AM - 10:30 AM on Saturday mornings. Please make sure anyone picking up your camper knows your code word.

We will ask that family members stay in their vehicles during this time. Staff will help with the loading of the under-the-bed boxes into your trunk.

The drive-by camp store will be open on check-in and check-out days for your family to purchase a variety of Camp Claire clothing and accessories such as T-shirts, sweatshirts, water bottles, shorts, and hats. Please, do not send any cash. Campers will not need any money during their stay at camp.

SWIM CHECK

Each camper is required to take a swim check upon arrival at Camp Claire. Our Pool Director will place campers in an appropriate level to accommodate their swimming ability. This helps ensure their safety at camp when participating in programs and classes that include water activities.

PHOTOGRAPHS

Photos are taken throughout the week, including an all camp picture and individual cabin photos. A link will be provided to parents at the time of check-in where all photographs can be viewed at the end of each session.

LOST AND FOUND

Please label all clothing, towels, and personal items with the child's name. Please, **NO initials!** Unclaimed clothing will be held until the end of the season. Items will be washed and donated to shelters or other groups in need. Please call as soon as an item is discovered missing and we will do our best to locate it. Camp Claire is not responsible for any clothing items lost, stolen, or damaged.

BUNKING ASSIGNMENTS

One of the goals at Camp Claire is to create a loving community which is inclusive of all. Some campers are new, and some have been coming for years. We encourage making new friends as part of this experience of community.

We limit a bunking request to one person, recognizing that for some newcomers, it will mean comfort in a new situation. Please make bunkmate requests at the time of online registration. We will try to honor a request but cannot guarantee it can be filled.

As a small, positive community, we encourage inclusiveness. Cliques can often be a form of segregation, and we try as best we can to discourage an atmosphere of negative behavior. Consequently, we reserve the right to move campers if we feel a serious problem has arisen, regardless of bunkmate requests.

MISCONDUCT

Any camper who engages in illegal drugs, alcohol, abusive language, inappropriate sexual behavior/misconduct, or aggressive/violent behavior will be asked to leave camp, and parents will be contacted immediately. For other issues related to behavior, parent contact will be made, and behavioral strategies will be implemented. If, after intervention, the behavior issue is not resolved, the camper may be sent home at the discretion of the Camp Director. **THERE ARE NO REFUNDS IN THESE CASES.**

Camp Claire also reserves the right to refuse registrations as a result of a previous season's misconduct. Parents are expected to set an example of respect. If any parent engages in verbal and/or physical abuse toward staff, the camper will be sent home. **NO REFUND WILL BE AVAILABLE.**

By law, we cannot admit your child unless we have a current health form signed by a physician which includes a full immunization record with dates.

All prescriptions are mandated by law to be properly labeled in their original containers with only the number of pills needed for the length of the session. This applies to over-the-counter medications for your child as well.

All forms of medication, including over-the-counter drugs and supplements must be noted on the health form with authorization and a signature from a physician as well as parent with dosages and administration times listed. If you have a question about a particular medication, please consult the camp nurse at nurse@campclaire.org

Please remember to list all emergency contacts and all allergies.

MEDICAL EMERGENCIES

In the event of a medical emergency we will follow the following protocols:

- If the emergency does not require transportation in an ambulance, the parent/ guardian will be contacted, and the parent will take the child to the hospital or their primary physician.
- If the emergency requires transportation in an ambulance, then one of the camp staff will accompany the child in the ambulance and the director will contact the parents/guardians. The parent or emergency contact person will be expected to meet the ambulance at the hospital as soon as possible.
- In all circumstances, the child's health insurance is used as the primary insurance.

MAIL

Mail is distributed each day (with the exception of Sundays). If you feel that your child may become homesick, please do not mail more than one letter each day.

It is helpful in these instances that the following phrases NOT be used:

- "I miss you s-o-o much!"
- "I hope you aren't homesick"
- "I feel sad that you are away from home"
- "I cried when I saw your empty room"
- "The dog/cat misses you"

Emphasize what fun things you imagine must be happening at camp. Encourage your child with questions asking them to write home about their favorite things or new friends. Draw pictures, send cartoons. Enclose favorite magazines, comic books, or other interesting publications which may help illustrate their experience at camp.

If you have any questions about news or world events that might impact your child while at camp, please call and speak with the Director.

Helpful tips for writing home:

- Send your child to camp with pre-addressed and pre-stamped postcards and envelopes.
- Pack paper, pencils, pens, crayons.
- Campers will have time each day during Siesta to write home.

CARE PACKAGES

We do allow care-packages to be mailed to camp, however be creative in what you send. Please be mindful that food is not allowed in cabins at all.

Our Pool Director is supported by a team of lifeguards and Water Safety Instructors who oversee and help guide campers in their swimming abilities.

Theme-oriented programs are presented which often involve our staff of counselors leading campers in memorable activities. Programs such as: Penny Carnival, Camp Dance, Camp Claire Clue, Around the World, Froccer, Color Wars, Capture the Flag, Gold Rush are some classic and well-loved examples.

REST PERIOD

Each day after lunch, campers are given some personal time to sleep, read, write letters, draw, or converse quietly with their new friends. This time of day is especially important to small children who may exert high levels of energy during the day.

VESPERS

Vespers is a time when we gather as a community and reflect on the day's memories, thoughts, and learning experiences. Some may consist of skits, songs, stories, and poems which are conducted by both staff and campers.

OUTINGS & OVERNIGHTS

We only take day trips, canoeing along the Connecticut River. The CITs and LITs will also be given the option of spending an overnight on Selden Island.

COUNSELORS

We have worked very hard to hire a staff that reflects our mission and have the campers as their main focus. Our senior counselors are 18 and older. Many are in the field of education. Junior counselors are 16 or 17 years of age and are under the mentorship of the senior staff. Each cabin is staffed with a senior and junior counselor. We maintain a ratio of 1 counselor per 8 residential campers at all times.

CAMPER NEEDS

★Food Needs:

- Be sure to include any campers allergies or dietary restrictions in registration forms. We can accommodate all dietary needs, but we must know this in advance to ensure we plan accordingly.
- For picky eaters: If they do not like the food, or are refusing to eat, they have access to our salad bar and peanut butter and jelly sandwich. Everyone needs to eat at each meal and eating 3 meals a day is part of camp safety.

★Health Needs:

- Campers will be expected to **practice daily hygiene** (shower time, washing hands, changing clothes and underwear, wearing deodorant and sunscreen). Staff will facilitate this and it is part of cabin codes of conduct.
 - Reminder: please send campers to camp with all personal care products they typically use at home.

★Emotional Needs:

- If campers typically see a mental health professional outside of camp, we will accommodate ensuring this continues while at camp. Virtual sessions can be held and camp can provide technology for this. Please contact the Director if you would like to discuss camper mental health needs further.
- Camp Claire has an on-call social worker. If we feel that a camper may benefit from discussing something with the social worker, the Director will contact you to discuss the situation and to receive your consent.

SPECIAL NEEDS

It is our mission to provide each camper with the environment that will nurture them and allow them to share in the riches of their gifts, and the gifts of others. This builds a wonderfully supportive community celebrating diversity. We have staff trained in many different areas to ensure a positive experience for all.

We encourage parent input to make sure that the programs and facilities meet the needs of your child. Camp Claire is a small camp in a beautiful location. Many of its buildings and locations were fixed years ago. We do our best, but also acknowledge that steep hills, stairs and roots do limit some campers.

If your child has a physical, mental, developmental, or dietary disability that requires special support, please contact the Director prior to registration. We will make every reasonable effort to meet your child's needs. We are more than happy to schedule a tour so you may determine if we will be a good fit for your child.

It is also important to let the Director know of any events in your child's life which may affect his/her stay away from home. Also, important, please notify the Camp Nurse if your child has had a recent change in any medications. This information can only help us in providing a supportive staff. We have dealt with a number of family and life issues.

Each is treated with respect and confidentiality.

HOMESICKNESS

Our staff is highly trained in helping campers overcome homesickness. Homesickness can be a very natural reaction to new experiences away from home but is manageable and an excellent opportunity for growth.

We know from our past experience that not all campers will use the words "I'm homesick." Sometimes it manifests itself as misbehavior or a camper withdrawing to the outskirts of activities. For most campers, the times of day which are most difficult are unstructured times such as Siesta or bedtime.

Counselors have been trained in opening a dialogue with campers and to refer to the Director, Assistant Director when extra support is needed. We have been so proud of the staff in past years in their patience, empathy and dedication to achieve camper happiness. We let the campers know that it's okay to miss their families and give them strategies to foster independence and resilience. As a small camp we are able to provide campers with personal experiences, so no one feels left out. Counselors also communicate what happens each day. Most fears can be alleviated if campers know what to expect.

The issue for parents to address in the case of homesickness (since many will experience it) is not to deny it. As parents, it is most helpful to encourage your child to have fun and not panic if they mention feeling homesick. The best way to fight homesickness is to engage in camp activities.

PARENT / GUARDIAN VISITS

Camping fosters a certain level of independence for each child. Visits from parents disturb the flow of programs and alter their experience. Approval from the Director must be arranged to prevent possible distractions. Parent visits can trigger homesickness not only for your child but for other campers as well. Therefore, we ask that you first contact the Director via email or phone if you wish to visit Camp Claire during your child's stay.

CALLING HOME

Camp Claire does not allow campers to have cell phones in their possession during their stay. This is a liability issue and is necessary for the safety of our campers. If a child is found with a cell phone they will be sent home with no refund. In an emergency the Director will contact home. Campers are not allowed to use the phone unless there are extenuating circumstances. In such an instance, calls will be overseen by the Director. In respect to Camp Claire's quiet environmental surroundings, no camper cell phones or other electronic devices are permitted.

COUNSELOR IN TRAINING and LEADER IN TRAINING PROGRAMS

Camp Claire offers Counselor in Training and Leader in Training programs as an excellent learning opportunity for 14-16-year olds. Both groups are involved in all aspects of camp and are encouraged to bring their enthusiastic, creative spirit to Camp Claire. Quality applicants should have previous leadership experience, have worked with children, and be of sound moral character. CIT and LIT campers go home on Saturdays between sessions.

Program Descriptions:

LITs: (14-15 yr. olds) attend three weeks of camp. LIT campers go home on Saturdays between sessions. This program is a general introduction to camp counseling; focusing on team building and developing the skills necessary to be a camp counselor.

CITs: (15-16 yr. olds) attend 4 weeks of camp with the possibility of being asked back for the final 2 weeks of camp. CIT campers go home on Saturdays between sessions. The CITs will also learn team building, but the focus is on program development. They will become certified in Lifesaving, CPR and First Aid. CITs learn more about the needs of campers of various ages and the responsibilities of the camp counselor.

At the time of your online registration you will be required to read and sign the following:
