A LITTLE HISTORY

In 1916, members of the First Congregational Church of Meriden began fellowship retreats to a parcel of land in Lyme, CT owned by a local farmer. Years later, the parcel was purchased by a member of First Church and donated to be utilized as a youth camp. In March of 1954, the church sold Camp Claire for \$1.00 to Camp Claire, Incorporated. Since those early years, campers and staff have come to Camp Claire from all over the world.

For over 100 years, Camp Claire has forged countless numbers of friendships that have been maintained and nourished by people who have been a part of the Camp Claire family. We strive to sustain those friendships by keeping contact with Alumni and getting them involved in the years following their camp experience.

Camp Claire is operated by a Board of Directors; a group of volunteers who have demonstrated a love for Camp Claire. Their main task, (among others) is to oversee finances, hire staff and maintain facilities. In the 1960's, Camp Claire became Camp Claire, Inc., a 501 C-3 not for profit summer camp. It continues to provide a quality camping program for campers focusing on group cooperation and community building.

KNOW OUR "WHY"

PHILOSOPHY:

Take who we are and what we've got and make it better!

MISSION STATEMENT:

Camp Claire - Where youth can develop curiosity, creativity, confidence, and self-esteem in a natural inclusive community environment; providing a lifetime of memories and skills that prepare camperren for an active place in a multicultural society.

OBJECTIVE:

We believe in freedom, flexibility and individual integrity, and thus we do not regiment our community except where physical and psychological health and safety are concerned. Therefore, there are many choices available to the staff, as well as the campers. We are enriched by all that is natural, so we seek to provide a wholesome environment in an incredibly beautiful setting.

Camp Claire aims to:

1. Provide opportunities for campers to foster and develop personal creativity and self-esteem.
2. Help each camper appreciate the natural surroundings and learn about the environment.
3. Provide situations for campers to develop curiosity while discovering their own skills and abilities.
4. Allow each camper to develop skills to participate actively in a multicultural society.

INCLUSION POLICY

Camp Claire strives to create an environment inclusive of all, regardless of race, sex, age, religion, creed, national origin, disability, physical/mental handicap or medical condition, as well as gender identity and expression. Camp Claire does not tolerate discrimination or harassment of any individual for any reason. We work hard to provide sensitivity training to staff during the summer and establish this inclusion policy to prevent discrimination, bullying, and harassment.

Gender Inclusion Policy

Camp Claire welcomes staff and campers of any and all genders. As with any sensitive personal information, we consider the gender identity of our campers and staff to be private unless the individual wishes to share it. Any individual who wishes to keep that information private has the right to do so, and we will not share that information with anyone except medical staff when appropriate. Staff and campers are welcome to share their preferred pronouns if they feel comfortable doing so. Staff and campers are expected to respect preferred pronouns and as such any intentional mis-gendering will be seen as bullying (please see our misconduct policy for further information). For information on bunking assignments as related to gender-identity, please see the "Bunking" section of this handbook.

REGISTRATION

Camp Claire accepts all registrations solely online! We accept registrations on a first come, first serve basis. A \$100 deposit per session you are registering your camper for is due at the time of registration. There is a non-refundable fee of \$100.00 per registration. The balance on your account will be charged to your card on file on July 1.

Receipt of the confirmation email indicates that your camper has a place in the session(s) that you have requested. If there is a question about a session or if the session is filled, we will contact you to verify your camper's placement. If you have a contact information change, such as phone number or address, please make those changes using your registration account accordingly.

All cancellation requests or changes need to be e-mailed to the registrar at registrar@campclaire.org and are subject to a \$135 cancellation fee. There will be no refunds for early departure once your camper has arrived at Camp however, emergencies and illnesses will be examined on a case-by-case basis. Camp Claire reserves the right to make a decision in these particular instances.

It is important to understand the reasoning behind a policy of non-refund. Because of the limited space during certain sessions, a camper who is registered has been included in the total session number which is crucial to planning for food and programs. In some instances, a camper might have been turned away because a session was filled. Please note that we will NOT reserve space until a registration, deposit and medical forms are received.

RESIDENTIAL CAMP CHECK-IN

- Check-in for all campers is from 2:30PM - 4:30PM on Sunday.
- Cars will enter through the front gate, and you will check in with the Director and Registrar at the Check-in Table. Campers will be provided with a name tag that includes their cabin assignment.
- Cars will then proceed down the driveway and be directed by staff who will help unload the vehicle and move their belongings to the compound.
- All families must also check in with the nurse, this process includes a lice check, temperature check and a conversation about any medications or any other pertinent medical information.
- Staff will assist campers in moving belongings to cabins once cleared by the Director, Registrar and Nurse.

NOTE:

Please make sure to take all phones and electronics home with you. Possession of phones or electronics is immediate grounds for dismissal without a refund.

CAMP STORE

The drive-by camp store will be open on check-in and check-out days for your family to purchase a variety of Camp Claire themed clothing and accessories. Please, do not send any cash. Campers do not need any money during their stay at camp.

SWIM ASSESSMENT

Each camper is required to take a swim assessment upon arrival at Camp Claire. Our Pool Director will place campers in an appropriate level to accommodate their swimming ability. This helps ensure their safety at camp when participating in programs and classes that include water activities.

PHOTOGRAPHS

Photos are taken throughout the session, including an all camp picture and individual cabin photos. A link will be provided to parents at the time of check-in where all photographs can be viewed at the end of each session.

LOST AND FOUND

Please label all clothing, towels, and personal items with the camper's name. Please, **NO initials!** Unclaimed items will be washed and donated to shelters or other groups in need. Please call as soon as an item is discovered missing and we will do our best to locate it. **Camp Claire is not responsible for any clothing items lost, stolen, or damaged.**

BUNKING ASSIGNMENTS

One of the goals at Camp Claire is to create a loving community which is inclusive of all. Campers will be assigned to cabins by their gender identity as provided by their guardian during the registration process. In regards to gender non-conforming campers, camp staff will speak with the guardian to find the best fit within our current cabin model.

Any camper who is uncomfortable using a communal, gender-segregated facility, regardless of the reason, shall, upon the camper's request, be provided with a safe and non-stigmatizing alternative (for example, using the bathroom in the Nurse's Cabin). However, requiring any camper to use separate facilities threatens to potentially stigmatize them and therefore will not be done unless requested by the camper.

Some campers are new, and some have been coming for years. We encourage making new friends as part of this experience of community. We limit bunking requests to one person, recognizing that for some newcomers, it will mean comfort in a new situation. Please make bunkmate requests at the time of online registration. We will try to honor a request but cannot guarantee it can be filled. Bunkmate requests must be mutually requested

As a small, positive community, we encourage inclusiveness. Cliques can often be a form of segregation, and we try as best we can to discourage an atmosphere of negative behavior. Consequently, we reserve the right to move campers if we feel a serious problem has arisen, regardless of bunkmate requests.

MISCONDUCT/BULLYING

Parents will be contacted immediately if a camper engages in illegal drugs, alcohol, abusive language, inappropriate sexual behavior/misconduct, or aggressive/violent behavior and the camper will be asked to leave camp. For other issues related to behavior, at the director's discretion, guardians may be contacted, and behavioral strategies will be implemented. If, after intervention, the behavior issue is not resolved, the camper may be sent home at the discretion of the Camp Director. **THERE ARE NO REFUNDS IN THESE CASES.**

Camp Claire also reserves the right to refuse registrations as a result of a previous season's misconduct. Parents are expected to set an example of respect. If any parent engages in verbal and/or physical abuse toward staff, the camper will be sent home. **NO REFUND WILL BE AVAILABLE.**

Bullying is defined as when one or more individuals exclude, tease, taunt, gossip, hit, kick, or put down another person with the intent to hurt that individual. **At Camp Claire, bullying is inexcusable, and we have a firm policy against all types of bullying.** Our Camp philosophy is based on our mission statement which ensures that every camper has the opportunity to develop curiosity, creativity, and build new skills and relationships. We work together as a team to ensure that campers gain self-confidence, make new friends, and go home with great memories.

Our leadership staff addresses all incidents of bullying and our staff is trained to promote communication with their co-counselors and campers so that both are comfortable sharing any problems during their camp experience. Every person has the right to have the best possible experience at camp. By working as a team to identify, prevent, and manage bullying, we can help ensure that all campers and staff have a great summer at Camp Claire.

Camp Claire will follow the State of Connecticut guidelines for bullying as they apply to public schools. **A camper proven to have bullied another at camp will be asked to leave. Parents of all parties will be contacted and an incident report will be completed.**

By law, we cannot admit your camper unless we have a current health form signed by a physician which includes a full immunization record with dates.

All prescriptions are mandated by law to be properly labeled in their original containers with only the number of pills needed for the length of the session. This applies to over-the-counter medications for your camper as well.

All forms of medication, including over-the-counter drugs and supplements (this includes daily vitamins and gummies) must be noted on the health form with authorization and a signature from a physician and parent with dosages and administration times listed. - If the emergency does not require transportation in an ambulance, the parent/ guardian will be contacted, and the parent will take the camper to the hospital or their primary physician.
- If the emergency requires transportation in an ambulance, then one of the camp staff will accompany the camper in the ambulance and the director will contact the parents/guardians. The parent or emergency contact person will be expected to meet the ambulance at the hospital as soon as possible.
- In all circumstances, the camper's health insurance is used as the primary insurance.

MAIL

Snail mail: snail mail is distributed each day (with the exception of Sundays). If you feel that your camper may become homesick, please do not mail more than one letter each day.

E-mail: email is distributed each day. Parents may e-mail their campers at letters@campclaire.org. **Please do not include pictures as they are costly to print.**

It is helpful that the following phrases NOT be used:

- "I miss you s-o-o much!"
- "I hope you aren't homesick"
- "I feel sad that you are away from home"
- "I cried when I saw your empty room"
- "The dog/cat misses you"

Emphasize what fun things you imagine must be happening at camp. Encourage your camper with questions asking them to write home about their favorite things or new friends. Draw pictures, send cartoons. Enclose favorite magazines, comic books, or other interesting publications which may help illustrate their experience at camp.

Helpful tips for writing home:

- Send your camper to camp with pre-addressed and pre-stamped postcards and envelopes, stationery, pencils, pens, crayons. Campers will have time each day during Siesta to write home.

CARE PACKAGES

We do allow care-packages to be mailed to camp, We ask that you limit packages to one per camper per week. Campers will receive their mail during lunch. Please be mindful that food is not allowed in cabins at all, but campers will have access to any care package treats during Siesta and Free Time.

PROGRAMS & CLASSES

Our standard classes are offered to campers as well as other creative classes which our staff may be trained in. Campers experience wonderful ingenuity, while learning a new craft.

Swimming lessons are also presented to campers to teach those who either have little or no swimming experience, or to those who want to refine the skills they already possess. Our Pool Director is supported by a team of lifeguards and Water Safety Instructors who oversee and help guide campers in their swimming abilities.

Theme-oriented programs are presented which often involve our staff of counselors leading campers in memorable activities. Programs such as: Penny Carnival, Camp Dance, Camp Claire Clue, Around the World, Froccer, Color Wars, Capture the Flag, Gold Rush are some classic and well-loved examples.

SIESTA/REST PERIOD

Each day after lunch, campers are given some personal time to sleep, read, write letters, draw, or converse quietly with their new friends. This time of day is especially important to small campers who may exert high levels of energy during the day.

VESPERS

Vespers is a time when we gather each evening as a community and reflect on the day's memories, thoughts, and learning experiences. Some may consist of skits, songs, stories, and poems which are conducted by both staff and campers.

OUTINGS & OVERNIGHTS

We only take day trips, canoeing along the Connecticut River or taking walks nearby Camp. The CITs and LITs will also be given the option of spending an overnight on Selden Island.

COUNSELORS

We work very hard to hire a staff that reflects our mission and values. Our senior counselors are 18 and older. Many are in fields related to camper development and education. Junior counselors are 16 or 17 years of age and are under the mentorship of the senior staff. Each cabin is staffed with at least one senior and junior counselor. We maintain a ratio of 1 counselor per 6 campers ages 8 and younger. We maintain a ratio of 1 counselor per 8 campers ages 9 and over.

CAMPER NEEDS

- **Dietary Needs:**
 - Be sure to include any campers allergies or dietary restrictions in registration forms. We can accommodate all dietary needs, but we must know this in advance to ensure we plan accordingly.
 - For picky eaters: If they do not like the food, or are refusing to eat, they have access to our salad bar and peanut butter and jelly sandwich. Everyone needs to eat at each meal and eating 3 meals a day is part of camp safety.
- **Health Needs:**
 - Campers should **practice daily hygiene** (washing hands, wearing deodorant and sunscreen). Staff will facilitate this and it is part of cabin codes of conduct.
 - **Reminder:** please send campers to camp with all personal care products they typically use at home.
- **Emotional Needs:**
 - If campers typically see a mental health professional outside of camp, we will accommodate ensuring this continues while at camp. **Virtual sessions can be held and we can provide technology and a private space for this.** Please contact the Director if you would like to discuss camper mental health needs further.
 - Camp Claire has an on-call social worker. If we feel that a camper may benefit from discussing something with the social worker, the Director will contact you to discuss the situation and to receive your consent.

SPECIAL NEEDS

It is our mission to provide each camper with the environment that will nurture them and allow them to share in the riches of their gifts, and the gifts of others. This builds a wonderfully supportive community celebrating diversity. We have staff trained in many different areas to ensure a positive experience for all.

We encourage parent input to make sure that the programs and facilities meet the needs of your camper. Camp Claire is a small camp in a beautiful location. Many of its buildings and locations were fixed years ago. We do our best, but also acknowledge that steep hills, stairs and roots do limit some campers.

If your camper has a physical, mental, developmental, or dietary disability that requires special support, please contact the Director or Nurse prior to registration. We will make every reasonable effort to meet your camper's needs. We are more than happy to schedule a tour so you may determine if we will be a good fit for your camper.

It is also important to let the Director or Nurse know of any events in your camper's life which may affect his/her stay away from home. Additionally, please notify us if your camper has had a recent change in any medications. This information will help us in providing a safe and supportive environment for your camper to thrive in.

Every camper is treated with respect and confidentiality

HOMESICKNESS

Our staff is highly trained in helping campers overcome homesickness. Homesickness can be a very natural reaction to new experiences away from home but is manageable and an excellent opportunity for growth.

We know from our past experience that not all campers will use the words "I'm homesick." Sometimes it manifests itself as misbehavior or a camper withdrawing to the outskirts of activities. For most campers, the times of day which are most difficult are unstructured times such as Siesta or bedtime.

Counselors have been trained in opening a dialogue with campers and to refer to the Director, Nurse and Assistant Director when extra support is needed. We have been so proud of the staff in past years in their patience, empathy and dedication to achieve camper happiness. We let the campers know that it's okay to miss their families and give them strategies to foster independence and resilience. As a small camp we are able to provide campers with personal experiences, so no one feels left out. Counselors also communicate what happens each day. Most fears can be alleviated if campers know what to expect.

The issue for parents to address in the case of homesickness (since many will experience it) is not to deny it. As parents, it is most helpful to encourage your camper to have fun and not panic if they mention feeling homesick. The best way to fight homesickness is to engage in camp activities.

PARENT / GUARDIAN VISITS

Camping fosters a certain level of independence for each camper. Visits from parents disturb the flow of programs and alter their experience. Parent visits can trigger homesickness not only for your camper but for other campers as well. Therefore, we ask that you first contact the Director via email or phone if you wish to visit Camp Claire during your camper's stay. Approval from the Director must be arranged to prevent possible distractions.

CALLING HOME

Camp Claire **does not allow campers to have cell phones in their possession during their stay.** This is a liability issue and is necessary for the safety of our campers. If a camper is found with a cell phone they will be sent home with no refund. In an emergency the Director will contact home. Campers are not allowed to use the phone unless there are extenuating circumstances. In such an instance, calls will be overseen by the Director.

COUNSELOR IN TRAINING and LEADER IN TRAINING PROGRAMS

Camp Claire offers Counselor in Training and Leader in Training programs as an excellent learning opportunity for 14-16 year olds. Both groups are involved in all aspects of camp and are encouraged to bring their enthusiastic, creative spirit to Camp Claire. Applicants should have previous leadership experience, have worked with campers, and be of sound moral character.

Program Descriptions:

LITs: (14-15 yr. olds) attend 3 weeks of camp. LIT campers go home on Saturdays between sessions. The LIT program focuses on team building and developing skills necessary to be a role model and leader.

CITs: (15-16 yr. olds) attend 4 weeks of camp with the possibility of being asked back as a Counselor's Assistant for the final 3 weeks of camp. CIT campers go home on Saturdays between sessions. The CIT Program continues to develop leadership skills in addition to providing an introduction to skills necessary to be a successful camp counselor. CITs learn about the needs of campers of various ages and the responsibilities of camp counselors. They will have the opportunity to become certified in Lifeguarding, CPR and First Aid.

At the time of your online registration you will be required to read and sign the following:
